To the Chairperson  
Board of Inquiry

This is a submission on the (following) proposed national policy statement for renewable electricity generation (the proposal) that was publicly notified on 6 September 2008.

The specific provisions of the proposal that my submission relates to are:

*[give details]*

1. Total National Policy Statement
2. page xiv Local Government costs
3. page 46 5.2.5 Policy 5

My submission is:

*[include –*

- *whether you support or oppose the specific provisions or wish to have them amended; and*
- *the reasons for your views].*

1. Central Hawke's Bay District Council supports in principle the aims of the policy in that processing of consents through the RMA for Renewable Electricity Generation for the benefit of NZ should be made easier.
2. Central Hawke's Bay District Council opposes the proposed costs to Local Government and the ratepayers of CHB. Central Government should carry the full cost of its proposed policy implementation.
3. Central Hawke's Bay District Council will not be making a district plan change outside of its normal review of its District plan for Renewable Electricity Generation, any additional costs to that plan review that are attributed to a change around Renewable Electricity Generation will be billed to MFE

I seek the following changes to the proposal:  
[give precise details].

~~I wish~~ (or do not wish) to be heard in support of my submission.
