Overall Notes:

Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Position

Yes

Notes

Clause

2. What are your views on the Government narrowing or widening the definition of the scope of personal care products containing microbeads to be prohibited from manufacture and sale in New Zealand?

Notes

No products sold should contain microbeads.

Clause

3. Do you currently manufacture, sell or use any personal care products containing microbeads? Please specify.

Position

No

Notes

No I do not, I do not like the thought of contributing to the issues of releasing microbeads into the environment. I check labels of products.

Clause

4. Do you currently manufacture, sell or use any personal care products containing microbeads for medically prescribed uses or purposes? Please specify.

Position

No

Notes

Clause

7. Do you currently manufacture, sell or use any alternatives to personal care products containing microbeads (or components therein), which are designed and used for the same purpose(s)? Please specify.

Position

Yes

Notes

Personal care products

Clause

8. Do you consider the alternatives to personal care products containing microbeads (or components therein) to be reasonably practicable, readily available, and similarly priced for existing personal, business or other uses? Why/why not?

Position

Yes

Notes

Clause

9. Is there any reason why the alternatives would not be reasonably practicable, readily available, or similarly priced for personal, business or other uses? If so, would you consider operating against the policy intent and importing personal care products containing microbeads from overseas?

Position

No

Notes

Clause

10. What would be the impact on you or your business if personal care products containing microbeads were prohibited for manufacture and sale in New Zealand and the alternatives were not reasonably practicable, readily available, or similarly priced?

Notes

No impact, alternatives are reasonably prices and readily available.

Clause

11. Do you support the Government's approach to administration and enforcement of the proposed regulations under the Waste Minimisation Act? Why/why not?

Position

Yes

Notes

Clause

12. Are there any other considerations for administration and enforcement of the proposed regulations that have not been outlined in the Administration and enforcement section in the Managing microbeads in personal care products consultation document?

Notes

No.

Clause

13. What are your views on the Government's proposed timeframe for entry-into-force of the regulations under the Waste Minimisation Act to prohibit the manufacture and sale of personal care products containing microbeads?

Notes

No, what the Government is proposing appears reasonable. I wouldn't want to see the timeframes any longer than 2018.

Clause

14. Are there any issues about the proposed timeframe for entry-into-force of the regulations that the Government should consider?

Notes

No, what the Government is proposing appears reasonable. I wouldn't want to see the timeframes any longer than 2018.

Clause

15. Are there any ways the Government could help industry or consumers transition away from personal care products containing microbeads ahead of the regulations' entry-into-force?

Notes

Education.
