

Kim Parker

Submitter Type: Other

Source: Web Form **Overall**

Position: Unclear / Not Stated

Overall Notes:

Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Notes

Plastic microbeads should be immediately banned from ALL products
