

**Lockie Atkinson**

**Submitter Type:** Individual **Source:**

Letter

**Overall Position:** Support

**Overall Notes:**

**Clause**

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

**Position**

Yes

**Notes**

I think microbeads should be banned because they are harmful to the environment.
