Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Position

Yes

Notes

Clause

3. Do you currently manufacture, sell or use any personal care products containing microbeads? Please specify.

Position

No

Notes

Clause

4. Do you currently manufacture, sell or use any personal care products containing microbeads for medically prescribed uses or purposes? Please specify.

Position

No

Notes

Clause

5. Do you currently import any personal care products containing microbeads into New Zealand, either for sale or personal use? Please specify.

Position

No

Notes

Clause

7. Do you currently manufacture, sell or use any alternatives to personal care products containing microbeads (or components therein), which are designed and used for the same purpose(s)? Please specify.

Position

No

Notes

Clause

8. Do you consider the alternatives to personal care products containing microbeads (or components therein) to be reasonably practicable, readily available, and similarly priced for existing personal, business or other uses? Why/why not?

Position

Yes

Notes

Toothpastes with salt instead of microbeads are readily available as are facial scrubs with organic replacements.

Clause

9. Is there any reason why the alternatives would not be reasonably practicable, readily available, or similarly priced for personal, business or other uses? If so, would you consider operating against the policy intent and importing personal care products containing microbeads from overseas?

Position

No

Notes

Clause

10. What would be the impact on you or your business if personal care products containing microbeads were prohibited for manufacture and sale in New Zealand and the alternatives were not reasonably practicable, readily available, or similarly priced?

Notes

None

Clause

11. Do you support the Government's approach to administration and enforcement of the proposed regulations under the Waste Minimisation Act? Why/why not?

Position

Yes

Notes**Clause**

13. What are your views on the Government's proposed timeframe for entry-into-force of the regulations under the Waste Minimisation Act to prohibit the manufacture and sale of personal care products containing microbeads?

Notes

Not fast enough. Ban microbeads immediately

Clause

15. Are there any ways the Government could help industry or consumers transition away from personal care products containing microbeads ahead of the regulations' entry-into-force?

Notes

Microbeads are not essential. Even if no sustainable replacement is currently available then people can easily do without until one does become available
