Overall Notes:

Clause

1. Do you agree with the Government's proposal to prohibit the manufacture and sale of personal care products containing microbeads (eg, body scrubs, facial cleaners, toothpastes) to reduce their impacts on New Zealand's environment and human health? Why/why not?

Position

Yes

Notes

I believe all plastic microbeads should be banned. I believe there should be more action in this space to reduce the impact of harmful plastics on our environment.

Clause

2. What are your views on the Government narrowing or widening the definition of the scope of personal care products containing microbeads to be prohibited from manufacture and sale in New Zealand?

Notes

I believe all microbeads should be prohibited. I believe this should undertaken within a shorter timeframe.

Clause

3. Do you currently manufacture, sell or use any personal care products containing microbeads? Please specify.

Position

No

Notes

However, I am dramatically affected by this.

Clause

4. Do you currently manufacture, sell or use any personal care products containing microbeads for medically prescribed uses or purposes? Please specify.

Position

No

Notes

Clause

5. Do you currently import any personal care products containing microbeads into New Zealand, either for sale or personal use? Please specify.

Clause

6. Are you aware of any personal care products containing microbeads for any purpose that could be considered an essential or critical use?

Notes

no

Clause

7. Do you currently manufacture, sell or use any alternatives to personal care products containing microbeads (or components therein), which are designed and used for the same purpose(s)? Please specify.

Position

No

Notes

Clause

8. Do you consider the alternatives to personal care products containing microbeads (or components therein) to be reasonably practicable, readily available, and similarly priced for existing personal, business or other uses? Why/why not?

Position

No
Notes

Clause

9. Is there any reason why the alternatives would not be reasonably practicable, readily available, or similarly priced for personal, business or other uses? If so, would you consider operating against the policy intent and importing personal care products containing microbeads from overseas?

Position

No

Notes

Clause

10. What would be the impact on you or your business if personal care products containing microbeads were prohibited for manufacture and sale in New Zealand and the alternatives were not reasonably practicable, readily available, or similarly priced?

Notes

There will be excellent benefit for businesses that do fisheries.

Clause

13. What are your views on the Government's proposed timeframe for entry-into-force of the regulations under the Waste Minimisation Act to prohibit the manufacture and sale of personal care products containing microbeads?

Notes

The timeframe should be reduced to immediate.

Clause

14. Are there any issues about the proposed timeframe for entry-into-force of the regulations that the Government should consider?

Notes

The impact on a major food source, and food scarcity. Yes, our responsibilities as Kaitiaki should be taken more seriously.
